

HELP!

Please help us find my lost pet,
a Russian Blue cat that ran away on March 19th!

He's gray with green eyes, quite shy, but also curious especially if you have female cats.

Any reports of sightings would be extremely helpful, and there's a \$150 reward for the safe return or the tip that leads to the safe return of my cat. We appreciate your concern and assistance.

Please call Meri Garno (352) 812-2754 or Martin Kantola (904) 347-9335. Thank you!
